Subject:	re Igor Goryanin

Dear Ehud,

As you may recall, Igor visited us and was impressed. He promised an answer from the investor Monday about 3 weeks ago and did not answer since then, not even 2 emails of mine. We do not know how to interpret his silence.

Do you have a clue? Can you check with him?

I did not want to bother you until now but we need to know if this is still an open option or shall we forget about him.
